Will Wilson Desert The Allied Nations

WASHINGTON, D. C., April 22 -- aside as of no present cons. The Republican publicity associa, Shame! Shame! The The Republican publicity associa-tion, through its president. Hon, Jonathan Bourne, Jr. today gave out the following at tement from its our breasts and that we mean to Washington headquarters:

less he can bend the ailles to his statements." terms regarding reparation, the dis-

is not clear. Presumably to would company broadless on the part of Gerto Mr. Wilson's should need with an orthortready struct the model of known at later they are written to the mind of Wilson,

was foundering in the mire of

ern France were despoiled. America ference. would have been the next victim and Therefore, we, as an annual con-

brunt of the Hun outrages through 'Further, we recommend that the four long years, and This is the his. discussion of this whole matter by

Your A Wholeseme, Cleansing,
Refreshing and Healing
Letten—Murine for Redinc.—Soreness, Granulaton, Irching and Burning
ton, Irching and Burning
take action was made following an
address by bishon Quayle, in which

The American 'ashington headquarters: stand by the French republic until the is understool that President the is recompensed for past wrongs Wilson has in contemplation the who represent the sentiment of Ammaking of a separate treaty between erica to be otherwise are ingrates Germany and the United States un with no warrant whatever for their

position of the Saar Valley, and recognition of the Russian government of the Saar Valley, and METHODISTS FILE STRONG PROTEST

SALINS, Kans, The Methodist inference of the Northwest Kansas district to session this week Lindsborg arraigned George D Her roh, one of President Wilson's ap-pointees to the conference of resolutions that contain a sting for the president almost as great as for

Herron himself. The resolutions The mind of Wilson, the insult offered the ideals of the people he is suption, and, indeed, the whole Christian world, by the appointment to a linto been in this war but for the Herron, a notorious exponent and is stance of the French. Although practicer of free love and the baser that they did for us the people addid the stance that had it not been lead to the denial of God and the applicates affiliery tanks. I will shalle that had it not been for its arplanes, affilier, tanks, and other equipment of closest vers conceivable kind that they tornished to our forces there would not have been a single American citizens, and voicing the sentiments of the leading Methodist Episcopal church of the Northwest Kansas church of the Northwest Kansas conference assembled, do most vig

orously protest and recommend efficiency, and leading rosy reports. That in view of this man's un-what it was going to do the day for formorrow, our soldlers were in points of which are that said George France atterly helpless but for the D. Herron did abandon and divorce string unaterial placed in their his true and legal wife and desert hands by the French, which they his children to associated himself with another woman; did advocate n armies and this is the nation that Mr and teachings did abandon the prin Wilson proposes to desert now that the victory is won, and leave her to tian faith, of which he was a ministened significant they have regained their ist, socialist and revolutionary interprets and are ready to renew their ternationalist. In recent years associated the rest of the recent recent property and the remarks of the Christian faith, of which he was a ministened and teachings and assument the contraction of the Christian faith, of which he was a ministened and the remarks of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the Christian faith of which he was a ministened and the contraction of the contraction of the christian faith of which he was a ministened and the contraction of the christian faith of which he was a ministened and the contraction of the christian faith of which he was a ministened and the contraction of the christian faith of the chr devestating career. It is true that ciating himself in Switzerland with we did not go to war to save France. Bolsheviki and other antagonists of to extend her boundaries, or to secure for her reparation from Ger thereby personally and by publications But is there an American who tions helping to spread the document of the publications of class hatred in Europe and he'p of England saved us? What America, such propaganda being en-would have happened had the Ger tirely foreign to the ideals of a free mans gained the channel ports in and independent peaple; we believe the dark fail of 1914? Not only to be in America, we believe that could England have been bom-George D Herron, known to be such barded directly from the Prench a person as herein set forth is in coast but the landing of Germans in people, such as we believe ourselves England could have been effectively no wise a fit representative of the covered by German artillery, and American nation in any diplomatic Great Britain would have been over capacity, and especially as a com-

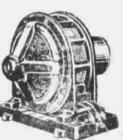

not which the Democratic party had church, do nost vigorously and earned us drift there would have been estly protest against this man's no resistance worthy of the name to the German hordes.

Church, do nost vigorously and earned to remain in this appointment, and, desiring to voice The German hordes.

But French generalship and the indomitable courage of the pollu United States, do request the secretary ented the turning of the French tary of the conference to forward the flank in those fatefu idays of this odcument, signed by the president runs to the coast, and not only dent and secretary of this conference to forward the runs to the United States as ence, to the president and to our well were saved. France hore the official representatives in congress.

Mr. Wilson would cast the Central Christian Advocate h brought before our congregations, and the action taken that is sug-

the Eves or Evelids; address by Dishop Quayle, in whi be referred to Herron's appointment by President Wilson as strange and the referred to the constant by President Wilson as strange and the constant of t
